**PARENT AGREEMENT:** In the case of medical emergency, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the physicians elected by the Camp Nurse or Director to hospitalize or secure proper medical treatment for my child. I understand that camp insurance is for minor injuries up to \$3500 and that my personal insurance is the primary coverage. While every effort is made for safety, I recognize that there are risks connected with some activities, including but not limited to horses, swimming, archery pellet rifles, etc. I therefore, agree to assume, as an explicit condition of my child's participation, in and all risks, including but not limited to those listed above. I agree to hold harmless Pioneer Bible Camp and its staff from any and all liability, claims, demands, and causes of action whatsoever which may arise due to the participation of my child. I realize that photographs will be taken of my child and I give permission for the camp to use such pictures for the promotion of the camp and on social media.

## YOUNG ADVENTURERS GRADES 3-6

These three weeks feature Bible instruction and fun events tailored just for our elementary campers. Activities include White War, horseback riding (\$35 extra), theme days, water games, leather crafts, and much more. Remember, Young Adventurers participate in gender specific programs for all activities except chapel.

## JUNIOR HIGH GRADES 7-9

With Christ-focused preaching and counselor-led devotional times, our Junior High weeks are filled with great activities including White War, a beautiful hike overlooking the Ogden Valley, basketball and sand volleyball. Make lasting friendships while enjoying specialized activities and team challenges.

## TEEN AGES 13-18

Our two Teen weeks are designed for all teens. If an entire youth group wants to come to camp together, this is the week to attend. We save our best program features for the oldest groups while including the traditional activities the veteran campers have come to love!
